

Trevor Hernandez

Data Scientist | Maureenburgh, ME | belljennifer@example.net | 286.968.6568x0403

Summary

Data Scientist with 9+ years of experience across SQL, TensorFlow, Statistics, delivering measurable business impact through data-driven solutions.

Employment History

Data Scientist

Williams and Sons, Maureenburgh, ME | 2023 - Present

- Led 4 A/B tests to validate model impact before production rollout
- Developed a machine learning model improving prediction accuracy by 12%
- Built a churn model saving an estimated \$16K in annual revenue

Data Scientist II

Shaw Ltd, Jacksonmouth, MP | 2019 - 2023

- Deployed 2 ML models into production serving real-time predictions
- Automated feature engineering pipeline, cutting model iteration time by 63%

Education

B.S. in Mathematics, Leeborough University, 2018

Skills

SQL, TensorFlow, Statistics, NLP, Python, scikit-learn
