

Timothy Bautista

Data Scientist | East Melanietown, TX | housetodd@example.com | +1-742-295-2811

Summary

Data Scientist with 11+ years of experience across scikit-learn, Pandas, Python, delivering measurable business impact through data-driven solutions.

Employment History

Data Scientist

Torres-Williams, East Melanietown, TX | 2023 - Present

- Automated feature engineering pipeline, cutting model iteration time by 43%
- Developed a machine learning model improving prediction accuracy by 16%
- Built a churn model saving an estimated \$25K in annual revenue

Data Scientist

Miller, Carr and Miller, Port Matthewberg, TN | 2020 - 2023

- Deployed 22 ML models into production serving real-time predictions
- Automated feature engineering pipeline, cutting model iteration time by 12%

Education

M.S. in Analytics, Christophershire University, 2019

Skills

scikit-learn, Pandas, Python, PyTorch, TensorFlow, XGBoost
