

Teresa Burgess

Data Scientist II | New Bethanychester, NJ | jennifer57@example.net | (428)510-8715x019

Summary

Data Scientist II with 11+ years of experience across Pandas, XGBoost, scikit-learn, delivering measurable business impact through data-driven solutions.

Employment History

Data Scientist II

Smith Group, New Bethanychester, NJ | 2023 - Present

- Deployed 36 ML models into production serving real-time predictions
- Automated feature engineering pipeline, cutting model iteration time by 16%
- Built a churn model saving an estimated \$23K in annual revenue

Data Scientist

Herrera-Warren, Douglasville, AL | 2022 - 2023

- Led 40 A/B tests to validate model impact before production rollout
- Deployed 14 ML models into production serving real-time predictions

Education

B.S. in Computer Science, New Wandaberg University, 2021

Skills

Pandas, XGBoost, scikit-learn, Statistics, NLP, PyTorch
