

Elizabeth Stevens

Data Scientist | West Wanda, FL | jenniferjenkins@example.com | 361.285.4671

Summary

Data Scientist with 6+ years of experience across Statistics, Pandas, XGBoost, delivering measurable business impact through data-driven solutions.

Employment History

Data Scientist

Reed-Rollins, West Wanda, FL | 2022 - Present

- Built a churn model saving an estimated \$22K in annual revenue
- Automated feature engineering pipeline, cutting model iteration time by 34%
- Led 30 A/B tests to validate model impact before production rollout

Data Scientist

Baker Inc, West Sarah, IN | 2021 - 2022

- Deployed 7 ML models into production serving real-time predictions
- Automated feature engineering pipeline, cutting model iteration time by 32%

Education

B.S. in Mathematics, Laraland University, 2019

Skills

Statistics, Pandas, XGBoost, scikit-learn, TensorFlow, Python
