

Kristopher Mayo

Data Scientist | Hollystad, ME | theresawarner@example.com | 662.303.7071

Summary

Data Scientist with 8+ years of experience across PyTorch, TensorFlow, A/B Testing, delivering measurable business impact through data-driven solutions.

Employment History

Data Scientist

Stewart, Smith and Butler, Hollystad, ME | 2021 - Present

- Led 3 A/B tests to validate model impact before production rollout
- Automated feature engineering pipeline, cutting model iteration time by 39%
- Deployed 2 ML models into production serving real-time predictions

Data Scientist

Adams-Wood, Brittneyburgh, ME | 2019 - 2021

- Automated feature engineering pipeline, cutting model iteration time by 15%
- Built a churn model saving an estimated \$34K in annual revenue

Education

M.S. in Analytics, Melissabury University, 2016

Skills

PyTorch, TensorFlow, A/B Testing, Pandas, Statistics, NLP
